Media Talk 101

Jesus didn't talk about Xbox 360, DirectTV, Sirius Radio, iPods or MTV. The Bible doesn't mention Eminem, Britney Spears, 50 Cent or Howard Stern. What are the principles that should guide our media choices?

Popular teen media teaches its own lessons about sex, violence, drugs, alcohol, despair, greed and family conflicts. Learn what the Bible has to teach about these topics and how to really live life to the fullest.

II Cor. 10:5

“We demolish arguments and every pretension that sets itself up against the knowledge of God and we take captive every thought to make it obedient to Christ.”
